EBU Membership

You need to be registered with the EBU (English Bridge Union) to play in these events. If there is a problem please contact Ned Paul before entering.

The ‘Swiss’ Format

In ‘Swiss’ events you play short matches against other pairs or teams. You play as on a ladder, going up and down the rungs according to your results, playing opponents with similar running scores to your own. In this way everyone gets to play at the right level and can enjoy success even after a slow start.

Cash Prizes

There will be cash prizes for the leading overall pairs and teams according to the total entry.
