

Are you **RELAXED, FRIENDLY**, play a bit of
BRIDGE?

You could become a

GOLDHAWK

The Young Chelsea Bridge Club, long known as a top club for bridge experts, is now opening its doors to those players who don't take the game quite so seriously.

January sees the start of the Goldhawks League

Teams of four non-experts will face each other in head-to-head matches, competing for the **Goldhawks Trophy**

We're meeting on Thursday evenings at 7pm from 9th January.

There will be a few hands to play before getting to the **REFRESHMENTS** break when you can check progress with your teammates and chat to everyone. Then a few more hands and home to celebrate your victory.

The price is £12.50 per person per session, which includes tea, coffee, and our popular buffet supper. We also have a licensed bar that is open throughout.

Not sure? Then come along to a
